

PROPOSED TRAINING PROGRAMMES AT CoE, Jeedimetla During the year 2017-18

SI No	Date	Time	Area of Training	No. of Trainees
1	30.10.2017	09.30 am to 04.30 pm	One day training on vegetable cultivation to the crop colony farmers	100
2	31.10.2017	09.30 am to 04.30 pm	One day training on vegetable cultivation to the crop colony farmers	100
3	03.11.2017	09.30 am to 04.30 pm	One day training on new technologies on protected cultivation of flowers	50
4	07.11.2017	09.30 am to 04.30 pm	One day training on new technologies on protected cultivation of vegetables	50
5	09.11.2017	09.30 am to 04.30 pm	One day training on new technologies in cultivation of Gourds & Cucurbits	50
6	14.11.2017	09.30 am to 04.30 pm	One day training on water management on vegetables & flowers	50
7	17.11.2017	09.30 am to 04.30 pm	One day training on vegetable cultivation to the crop colony farmers	100
8	21.11.2017	09.30 am to 04.30 pm	One day training on Organic vegetable cultivation to the crop colony farmers	50
9	24.11.2017	09.30 am to 04.30 pm	One day training on new technologies in cultivation of Gourds & Cucurbits	50
10	28.11.2017	09.30 am to 04.30 pm	One day training on Nematode management in protected cultivation of vegetables & flowers	50
11	30.11.2017	09.30 am to 04.30 pm	One day training on vegetable cultivation to the crop colony farmers	100
12	05.12.2017	09.30 am to 04.30 pm	One day training on new technologies in cultivation of Gourds & Cucurbits	100
13	08.12.2017	09.30 am to 04.30 pm	One day training on vegetable cultivation to the crop colony farmers	100
14	12.12.2017	09.30 am to 04.30 pm	One day training on vegetable cultivation to the crop colony farmers	100
15	15.12.2017	09.30 am to 04.30 pm	One day training on harvesting packing & post harvest management of vegetables & flowers	50
16	19.12.2017	09.30 am to 04.30 pm	One day training on water management on vegetables & flowers	50
17	22.12.2017	09.30 am to 04.30 pm	One day training on summer vegetable cultivation to the crop colony farmers	100
18	29.12.2017	09.30 am to 04.30 pm	One day training on summer vegetable cultivation to the crop colony farmers	100
19	03.01.2018	09.30 am to 04.30 pm	One day training on Organic vegetable cultivation to the crop colony farmers	100
20	05.01.2018	09.30 am to 04.30 pm	One day training on water management on vegetables & flowers	50
21	09.01.2018	09.30 am to 04.30 pm	One day training on new technologies on protected cultivation of vegetables	50
22	12.01.2018	09.30 am to 04.30 pm	One day training on new technologies on protected cultivation of flowers	50
23	16.01.2018	09.30 am to 04.30 pm	One day training on summer vegetable cultivation to the crop colony farmers	100
24	19.01.2018	09.30 am to 04.30 pm	One day training on Pest & Disease management summer vegetable cultivation to the crop colony farmers	100
25	23.01.2018	09.30 am to 04.30 pm	One day training on summer vegetable cultivation to the crop colony farmers	100
26	25.01.2018	09.30 am to 04.30 pm	One day training on Pest & Disease management summer vegetable cultivation to the crop colony farmers	100

SI No	Date	Time	Area of Training	No. of Trainees
27	30.01.2018	09.30 am to 04.30 pm	One day training to the Horticulture Officers on Grafting technics in Vegetable seedlings production	50
28	02.02.2018	09.30 am to 04.30 pm	One day training to the Horticulture Officers on Organic farming Vegetables	50
29	06.02.2018	09.30 am to 04.30 pm	One day training on summer vegetable cultivation to the crop colony farmers	100
30	09.02.2018	09.30 am to 04.30 pm	One day training on summer vegetable cultivation to the crop colony farmers	100
31	13.02.2018	09.30 am to 04.30 pm	One day training for Horticulture Officers on new technologies on protected cultivation of flowers	50
32	16.02.2018	09.30 am to 04.30 pm	One day training for Horticulture Officers on new technologies on protected cultivation of vegetables	50
33	20.02.2018	09.30 am to 04.30 pm	One day training on summer vegetable cultivation to the crop colony farmers	100
34	23.02.2018	09.30 am to 04.30 pm	One day training on Pest & Disease management summer vegetable cultivation to the crop colony farmers	100
35	28.02.2018	09.30 am to 04.30 pm	One day training on Pest & Disease management summer vegetable cultivation to the crop colony farmers	50
36	03.03.2018	09.30 am to 04.30 pm	One day training for Horticulture Officers on new technologies on protected cultivation of vegetables	50
37	06.03.2018	09.30 am to 04.30 pm	One day training for Horticulture Officers on new technologies on protected cultivation of vegetables	50
38	09.03.2018	09.30 am to 04.30 pm	One day training on Pest & Disease management summer vegetable cultivation to the crop colony farmers	100
39	13.03.2018	09.30 am to 04.30 pm	One day training on summer vegetable cultivation to the crop colony farmers	50
40	16.03.2018	09.30 am to 04.30 pm	One day training on summer vegetable cultivation to the crop colony farmers	50
41	20.03.2018	09.30 am to 04.30 pm	One day training on summer vegetable cultivation to the crop colony farmers	100
42	23.03.2018	09.30 am to 04.30 pm	One day training on Nematode management in protected cultivation of vegetables & flowers	50
43	27.03.2018	09.30 am to 04.30 pm	One day training on Organic vegetable cultivation to the crop colony farmers	50
44	29.03.2018	09.30 am to 04.30 pm	One day training on Organic vegetable cultivation to the crop colony farmers	50
